**INTERAGENCY SERVICE AGREEMENT BETWEEN
THE ARIZONA DEPARTMENT OF TRANSPORTATION
AND THE ARIZONA DEPARTMENT OF ECONOMIC SECURITY**

I. PARTIES

This agreement is entered into by the Arizona Department of Transportation, acting by and through its Intermodal Transportation Division (ADOT/ITD) and the Arizona Department of Economic Security, Rehabilitation Services Administration, Business Enterprise Program (ADES/RSA/BEP). For this Agreement the Arizona Department of Transportation and the Arizona Department of Economic Security shall be called ADOT and ADES respectively.

This document shall constitute the entire Agreement between ADOT and ADES.

The parties agree as follows:

II. RECITALS

1. The ADOT is empowered by Arizona Revised Statutes Section 28-108 to administer 23 USC Section 111 which permits the placement of vending machines in rest and recreation areas and in safety rest areas constructed or located on rights-of-way of the National System of Interstate and Defense Highways in such state. The cited Federal Surface Transportation Act further directs the ADOT to give priority to the designated state licensing agency for the placement of vending machines.
2. As per A.C.C. R6-4-301.4 the BEP unit of the ADES is designated the state licensing agency to provide opportunities for legally blind persons to operate merchandising business facilities in public and other property and is empowered to provide the placement of vending machines at the ADOT rest areas.
3. The ADOT desires to have vending machines products available for the traveling public at highway rest areas statewide. The ADES desires to operate and maintain these services to the public.

III. SCOPE OF WORK

1. THE ADOT WILL:

- A. Provide vending shelters and either vending product storage facilities or sites for an ADES provided vending storage building as noted on Attachment A and advise ADES when additional vending machine shelter(s) are constructed at other rest area locations.
- B. Charge ADES in accordance with Attachments to offset maintenance costs directly related to vending machine operations, such as electricity and vending machine shelter maintenance.
- C. Retain the right to approve or reject vending products, the number, type and location of machines, and product retail prices compatible with the parameters established by Section 3.C.
- D. Retain the right to require ADES, upon 45 days written notice, to remove or replace any unsatisfactory vending machine operator, or to remove any vending machine when the best interest of the State and the public will be served.

2. THE ADES WILL:

- A. Through the Business Enterprise Program, insure that vending machines are installed, serviced, cleaned and continuously operated in accordance with state and local health codes, laws, and regulations at the highway rest area locations stipulated in Attachment A.
- B. Ensure that the operator complies with all applicable state and federal laws, rules or regulations, and assumes all risk of theft, loss or damage to the entire vending machine operation.
- C. Provide ADOT operator certificates of insurance with the State named as an additional insured, in the minimum amount of \$1,000,000 for liability.
- D. Provide ADOT Contract Maintenance Services (CMS) with information as required by the Attachments.
- E. Reimburse electrical and maintenance costs to ADOT, through ADOT CMS, monthly in accordance with the requirements set forth in the Attachments.

3. JOINT RESPONSIBILITIES

- A. Both parties shall mutually develop and agree upon any specifications utilized for the solicitation of vending machine services for the rest areas. These specifications shall include as a minimum: parameters for pricing by the type of product, guidelines for the items to be dispensed, parameters for vending machine specifications and maintenance, guidelines for machine refund and malfunction policies, and any requirements for operator disposal of bulk packaging requirements.
- B. Both parties shall cooperate and have representatives prepare for and attend the Pre-Bid Conferences for any solicitations issued for vending machine services at the rest areas.
- C. Both parties shall cooperate fully to resolve any problems in the administration and/or providing of these services.

IV. MISCELLANEOUS PROVISIONS

A. NOTICES

All notices or demands upon any party to this agreement shall be in writing and shall be delivered in person or sent by mail addressed as follows:

B. TERM OF AGREEMENT

This interagency service agreement shall be effective January 1, 1996 and shall terminate on January 1, 2000 unless cancelled by mutual agreement.

C. CHANGES BY WRITTEN AMENDMENT

Both parties reserve the right to revise the work locations and make other changes within the general scope of work as may be deemed necessary to best serve the interest of the State. All changes shall be documented by formal amendment to the agreement.

D. CANCELLATION

This agreement shall remain in force for the term of the agreement unless cancelled by either party upon 60 days written notice.

E. RECORDS

The provisions of A.R.S. Section 35-214 are applicable to this agreement.

F. CONFLICT OF INTEREST

This agreement may be cancelled in accordance with A.R.S. Section 38-511.

G. ARBITRATION

In the event of any controversy which may arise out of this agreement, the parties agree to abide by required arbitration as set forth in A.R.S. Section 12-1518.

H. NON-ASSIGNMENT

Any attempt to assign either party's duties or responsibilities under this agreement shall be void without the prior written consent of the other party.

I. INDEMNIFICATION

To the extent permitted by law, ADES hereby indemnifies, defends, and holds the ADOT harmless, its officers, agents and employees from any and all suits, actions, legal or administrative claims, demands, or damages of any kind or nature arising out of this agreement which are attributed to any act or omission of ADES, its officers, agents, employees, or anyone acting under its direction, control, or on its behalf, whether intentional or negligent. The ADOT similarly indemnifies the ADES.

J. COMPLIANCE WITH ALL LAWS

Each party shall comply with all Federal, State and local laws, rules, regulations, standards and Executive Orders, without limitation to those designated within this Agreement. The laws and regulations of the State shall govern the rights of the parties, the performance of this Agreement and any disputes. Any action relating to this Agreement shall be brought in an Arizona Court. If any provision of this Agreement is held invalid or unenforceable, the remaining provisions shall continue valid and enforceable to the full extent permitted by law. Any changes in the governing laws, rules, and regulations during the term of this Agreement shall apply but do not require an amendment.

INTERGOVERNMENTAL AGREEMENT

Contract between the Department of Economic Security (the "DES") and the Department of Transportation (the "DOT")

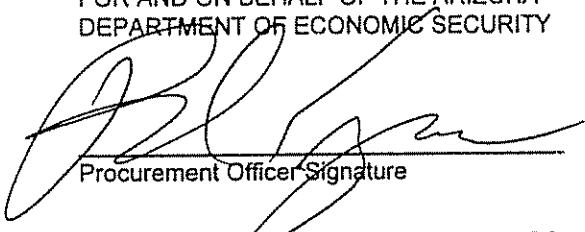

WHEREAS the Department of Economic Security is duly authorized to execute and administer contracts under A.R.S. 41-1954; and

WHEREAS the Department of Transportation is duly authorized to execute and administer contracts under A.R.S. 28-108; and

WHEREAS the DES and the DOT are authorized by A.R.S. 11-951 et seq. to enter into agreements for the joint exercise of any power common to the contracting parties as to governmental functions necessary to the public health, safety and welfare, and the proprietary functions of such public agencies;

THEREFORE the DES and the DOT agree to abide by all the terms and conditions set forth in this contract.

ATTACHMENT B

**AGREEMENT BETWEEN THE ARIZONA DEPARTMENT OF TRANSPORTATION
AND THE ARIZONA DEPARTMENT OF ECONOMIC SECURITY**

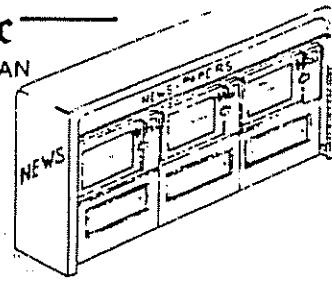

This attachment shall authorize to Arizona Department of Economic Security (DES), through the Business Enterprise Program (BEP) to vend newspapers in all Arizona Department of Transportation (ADOT) rest areas located on the Interstate highway system, subject to the following conditions:

- I. ADOT will not charge DES-BEP for newspaper products sold through the newspaper vending machines. No storage space will be provided for newspaper vending supplies.
- II. DES-BEP Agrees to:
 - A. Maintain newspaper vending machines to ensure proper working condition.
 - B. Ensure that newspaper vending machines are cleaned of dust, dirt, food/drink stains, graffiti and other foreign debris, as necessary, to maintain a clean, presentable appearance.
 - C. To place newspaper vending machines, as directed by the District Maintenance Superintendent, to provide convenient newspaper access to travelers while eliminating physical interference with walkways, other rest area facilities and other vending machines.
 - D. To move newspaper vending machines in response to maintenance or construction needs, as directed, within ten (10) working days of receipt of written notice.
 - E. Provide or require newspaper vending machines of the News-Times modular units or equal, as shown as part of this attachment. The brand name and attached drawings shall be construed as a quality level, method and type of performance and does not indicate that the brand name cited is mandatory. Newspaper vending machine units shall be approved by ADOT prior to installation.

RESOLUTION

BE IT RESOLVED on this 21st day of November 1995, that I, the undersigned LARRY S. BONINE, as Director of the Arizona Department of Transportation, have determined that it is in the best interests of the State of Arizona that the Department of Transportation, acting by and through the Highways Division, to enter into an agreement with the Arizona Department of Economic Security, for the purpose of defining responsibilities to operate vending machines in rest areas statewide.

Therefore, authorization is hereby granted to draft said agreements which, upon completion, shall be submitted to the Deputy State Engineer for approval and execution.

for LARRY S. BONINE
Director
